

SABER[™] Under Cabinet Light

INSTALLATION GUIDE

SAFETY & WARNINGS

READ AND FOLLOW ALL SAFETY INSTRUCTIONS

- Do not puncture, cut, or shorten, fixture. Doing so causes risk of electric shock and will void the Safety Certification and warranty.
- Do not use if there is any damage to the fixture or AC cord insulation. Inspect periodically.
- All plastics are affected by the elements and may shift in color and other properties after product installation, particularly with direct exposure to sun, chlorinated water, and other chemicals.
- 4. Do not submerge fixture in liquids or use the product in the vicinity of standing water or other liquids.
- 5. Secure fixture using only hangers or mounting clips provided. Do not secure with staples, nails, its input wire, or like means that may damage the insulation or permanently attach the fixture to a building structure.
- 6. Do not subject fixture to continuous flexing.
- 7. Do not install near water.
- Do not install in direct sunlight or damage to the LED phosphor will occur.
- 9. Do not attempt to fix this product in the field.

QUICK SPECS / MODELS

Input	120VAC, 60Hz
Power	See Specification Sheet
